Improved System Communications

Thinking and solutions from the October meetings

- Plan in conjunction with the Duchy and Poundbury Organisation for when the Duchy influence diminishes
- Take place over the next 5 years or so
- More contact with DTC and Dorset Council over adoption of the roads and management of the courtyards
- Duchy to work with us to develop their plans for the eventual passing over to residents
- Need a 5yr/10 yr plan
- More contact between Poundbury organisations and different parts of Dorchester (Fordington, Victoria Park and Manor Park)
- Clear thinking on remits for MANCOs, DTC, DC, Duchy, Developers
- Poundbury Code
- Formalise contact between between organisations in Poundbury
- More assimilation within Dorchester
- Duchy to take on board reasonable concerns of residents
- What's on in Poundbury (social events, coffee mornings, performances, events, special offers)
- Better notice boards
- Monthly/weekly calendar
- Duchy+House Builders+Housing Association Qtrly meeting achieving greater accountability and minimising frustration
- Welcome pack for new residents/contact information
- Parkkeeper to be based in Pound bury to be a centre for information and community liaison
- Regular up-dates from MANCOs re accountability
- Reducing 'them' and 'us' between Poundbury and Dorchester and within Poundbury

Community Association

Thinking and solutions (Oct 19th and 28th)

- We need transparency in all relationships with other groups (Duchy, Town Council etc)
- Representation of all ages and residents
- Meetings at reasonable times (childcare facilities)
- MANCO website for clarity on how links should work
- Include 'Old Poundbury' and businesses
- PRA change on Youtube
- Showcase events, businesses and youth activities
- Email links via Fran's news service
- Attract young/families/care homes/businesses
- Expand volunteer base
- Consider integrating PCT and PRA
- People may be uncomfortable with larger association
- Small areas with liaison co-ordinators
- Neighbourhood Watch
- Housing/Social Services connection needed
- PRA to PCA
- New ideas and new people to join
- Registered charity
- Link with Hub
- Support for other projects and organisations
- Links with local charities (mental health and Age UK)
- Grants for training
- Publicity on what on in Poundbury
- Wider than residents (businesses)
- Representation from other organisations
- More informal
- Represent more than home owners
- Knowledge of energy company
- Youth element /representation
- Meeting people / a place to raise issues
- Importance of unity of working together not lots of competing groups /cooperation/talking
- One body needed
- Hub would help to connect and develop the community spirit
- Need a better community directory
- If you live on your own Poundbury can be isolating

Developing the Volunteer Base in Poundbury

Thinking and solutions

- A new structure
- Training
- Formalise the approach
- Discussion with local charities and community groups to establish current other arrangements
- Identification of value of an enhanced system in Poundbury and linking with Dorchester volunteering
- Developing a data base of need and offer
- Developing an education and training programme to support volunteers
